Plaintiff asks the Court to extend the discovery cut-off by 150 days (though, if necessary, Plaintiff represents that he could complete the necessary discovery in 90 days), and to extend the proof of service date to February 25, 2016. *Id.* at 7. Defendants respond that, although the discovery deadline expired on February 15, 2016 (the date Plaintiff filed his motion to extend) and the Court stated it was not inclined to grant further extensions, they take no position on Plaintiff's request to extend the discovery deadline. Docket No. 60 at 3. Defendants do, however, oppose Plaintiff's request to extend the proof of service deadline. *Id.* at 4.
